Dear Families,

We have had a great first few days in school. All the children are behaving beautifully and working so hard and our new Reception and Nursery children have settled quickly – we are very impressed by them!

## Our School Code: We are Respectful, Resilient and Ready to Learn.

Our new learning and behaviour expectations for the children in Years 1 to 6 are that everyone tries their very best to be **Respectful, Resilient and Ready to Learn**. This is what we have shared with the children to help them understand what we mean by this:

### Respectful

I am kind and have good manners  
I am polite and avoid interrupting or causing disturbances  
I listen to others and respect differences in beliefs and opinions  
I think before I speak, and consider my language and tone  
I lend a helping hand and practise compassion  
I don't talk about other people in an unkind way  
I respect personal space and property  
I understand everyone has their own experiences and beliefs  
I will speak up if others are being disrespectful  
I am willing to admit my mistakes.

### Resilient

I always try my best  
I give things a go even when they are challenging  
I can bounce back after difficult times  
I can deal with challenges and hold my head up high  
I am strong on the inside

### Ready to Learn

Food: I know that eating healthily will help me to concentrate and learn  
Sleep: I make sure I go to bed early enough so I wake up refreshed and ready to learn  
Exercise: I get lots of fresh air and exercise to keep my mind active  
Equipment: I bring everything I need for a successful day at school: water bottle, PE kit, reading book etc

And in class I make sure I am **concentrating, listening and contributing** to the learning

For our Early Years children in the Nursery and Reception classes there are just two rules:

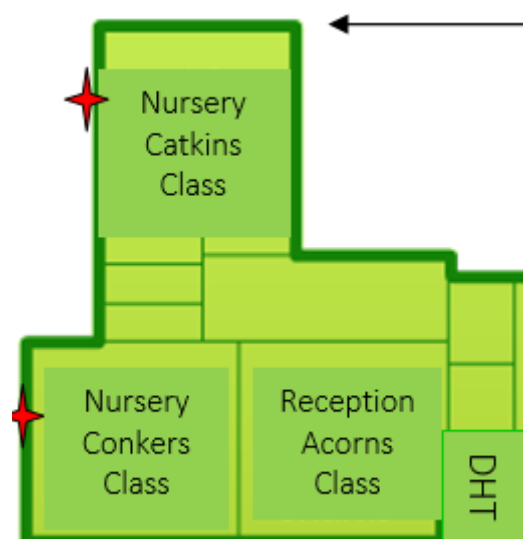

1. We are kind
2. We listen to the grown ups

## Catkins, Conker and Acorns Move Around – New rooms from Thursday 21<sup>st</sup> September

Although our new Early Years department has got off to a great start, we have realized that it could run even more efficiently if we used the rooms in a slightly different way. So on Wednesday evening we will be having another move round.

When the children come back into school on Thursday, Catkins Class will be in the current Reception Acorns Class and morning children will come into school via the left-hand side of the outside play area.

Conkers class will have moved into the current Catkins Class and Acorns will have moved over to Catkins. Both these classes will come into school via the right-hand side of the outside play area.

## Parking Near School

I've already sent a couple of messages via Class Dojo about this, but can I please ask families who drive to school to stop parking so close to the main gates each morning and afternoon? There are still some families parking in the little square just outside the school gates or on the road leading up to it in front of residents' houses. This is not only causing upset to our neighbours, but it is also dangerous as cars are mixing with children walking to school. There are lots of places to park just a few steps further away including the "main car park" at the front of school.

Please help to keep your children safe and to maintain our good relationship with the community by driving and parking with consideration. Thank you everyone.

## School Trips and Experiences

We remain committed to giving the children as many exciting and meaningful experiences as possible to enhance their learning in school, but as school budgets are increasingly squeezed we can only afford to do this by asking families to contribute their “share” of the cost of these activities. If we do not receive contributions from everyone for an activity, with great regret we will cancel.

Our aim this school year is that we give you as much notice as possible of all the contributions we will be asking you to make this year to help you to budget. Below is a grid of the trips and visits that have been booked so far: more details can be found on Parent Pay. We will ensure that this is completed and shared with you in the next couple of months so you are fully aware of what is coming up for the rest of the year.

<b>Conkers Nursery Class Trips and Events</b>		<b>Dinosaur Experience in School</b>	<b>Formby Beach</b>

## Stars of the Week

Congratulations to our first stars of the new school year.

Last week we were all learning about the importance of being “kind” and the children chosen to be celebrated for embodying this value so well were:

Nursery Conkers	Luca has been so kind helping his friends to hang up their coats and bags each morning.
Reception Acorns	Annabelle has been so helpful and kind towards all her friends in Acorns Class.
Year 1 Silver Birch	Amira has been saying kind things to everyone in Silver Birch Class and has been so helpful.
Year 2 Willow	Hugo is always kind to adults and children.
Year 3 Holly	Emma has been so kind and patient to her classmates this week.
Year 4 Chestnut	Jamie was a very kind friend in our PE lesson this week, supporting his peers to do their best.
Year 5 Elm	Annabella is kind and considerate and always has a big smile for everyone.
Year 6 Oak	Arthur is such a kind and sharing learning partner.
Orchard Group	Jaxon has been sharing with everyone in Orchard Group.

We also chose our first reading stars of the new year who were:

Nursery Conkers	Frankie loves books – he says his favourite is “The Gruffalo”!
Reception Acorns	Reggie has been sharing stories with grown-ups in school and has read with his family at home 6 times this week
Year 1 Silver Birch	Leo has been working very hard in our daily reading lessons and has also been practising every night at home.
Year 2 Willow	Jenson has read at home every single day this year. What a great start!
Year 3 Holly	Thomas is such an enthusiastic reader and loves books!
Year 4 Chestnut	Harriet has been practising her reading at home every night and been enthusiastic and proactive in our daily reading lessons.
Year 5 Elm	Eva reads regularly at home and demonstrates enthusiasm and motivation in school.
Year 6 Oak	Jacob absolutely loves to read. He was so enthused by this week’s guided reading extract from “The Peppermint Pig” that he has requested that the book be bought for the class.

Kindest regards,

*Deborah Meredith*
