Dear Families,

School Trips and Experiences

We remain committed to giving the children as many exciting and meaningful experiences as possible to enhance their learning in school, but as school budgets are increasingly squeezed we can only afford to do this by asking families to contribute their "share" of the cost of these activities. If we do not receive contributions from everyone for an activity, with great regret we will cancel. Very sadly, the planned year 4 trip to Tatton has now been cancelled as we had so many contributions outstanding.

Our aim this school year is that we give you as much notice as possible of all the contributions we will be asking you to make this year to help you to budget. Below is a grid of the trips and visits that have been booked so far: more details can be found on Parent Pay. We will ensure that this is completed and shared with you in the next couple of months so you are fully aware of what is coming up for the rest of the year.

Conkers Nursery Class		Dinosaur Experience in	Formby Beach
Trips and Events		School	
Date		Wednesday 28 th	
		February 24	
Contribution per child		Letter to follow

What is "The Learning Pit"?

You may have heard your children taking about the learning pit and be wondering what on earth they mean!

We use the analogy of the learning pit to help the children understand that it is OK to struggle with new learning but that with effort and determination (and support from the adults), they will be able to master new concepts.

The phrase we encourage the children to use when they are feeling challenged is not "I can't do it" but rather.....

"I can't do it yet!"

Stars of the Week

Congratulations to last week's stars who were chosen for embodying the value of being "brave".

Nursery Conkers	Elsie-Grace has such a positive attitude and is always ready to try something new.
Reception Acorns	Bobby is willing to try everything and he has made a fantastic start to school life.
Year 1 Silver Birch	Pawa is a brave learner who is ready to take on any challenges in Year 1.
Year 2 Willow	Alice is a brave learner who is willing to take risks and try to answer every question.
Year 3 Holly	Holly Class were very impressed by Harrison's bravery when he played a solo piece
	on his recorder.
Year 4 Chestnut	Isabelle has really pushed herself this week not only on the Rugby field but also at
	her first swimming lesson. What a super attitude!
Year 5 Elm	Shaynie has been pushing herself outside her comfort zone in all aspects of her
	learning.
Year 6 Oak	Max demonstrated great bravery on our residential adventure holiday this week and
	tried every activity, even when he felt unsure.
Orchard Group	Alfie has demonstrated great bravery by coming into his new classroom
	independently.

We also chose our first Maths stars of the new year (and a reading star in Nursery).

Sharu has read at home every day this term and loves her books!
Tilly completes every single maths activity with great enthusiasm and loves to
challenge herself.
Mylah has shown herself to be a confident and talented mathematician this week in
Silver Birch.
Not only does Alfred have a very strong understanding of the number system, he is
also a lovely helper to his classmates in our maths lessons.
Millie has been listening intently to the teaching in our maths lessons and as a result
has been able to complete her work independently.
Isla has been working so hard this week and been applying all she has learned to her
work. Well done Isla!
Amber has demonstrated great perseverance and resilience in our maths lessons
this week and has managed to get herself out of the "Learning Pit" on several
occasions.
Even on our residential holiday, Jake was still putting his excellent maths skills to use
by working out average speeds on the zip wire!

Kindest regards,
